REPAIRS, OR EXAMINATION AS PER RULE *For Special Survey No 2*
 This vessel has now been placed in dry dock, the bottom examined and recoated with paint, the timber boards and ceiling in excess of three strakes fore and aft on each side removed also all the loose ceiling from the top of double bottom taken up, examined and found good, the ballast tanks examined, cement repaired where found necessary and tanks tested, ceiling replaced with part new where required, oxidation chipped and cleared off inside and the iron work repainted from bilge cement to deck stringers. The chain cables ranged, windlass and spars examined and with the anchors and the general equipment attended to.
