Particulars of Repairs and Examination For Special Survey No 1
 (State clearly the cause of Repairs if any, and in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Vessel placed in dry dock sea connections examined & found to be in good condition. Propeller & its connections found & the stern bush worn 1/4"

This submitted that this vessel is eligible to remain as classed 3/3/86

General Observations, Opinion, and Recommendation:— As far as seen the vessel appears eligible to remain as classed.
 (State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

N.B. Was informed by owners representative that on the vessel's return from the North for bunker coals, the remainder of the survey on the machinery would be carried out.
