Particulars of Repairs and Examination Annual Boiler Survey
 (State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Examined the main boilers and their domes & found them in a good condition. The two centre furnaces have been renewed.
Examined safety and found them in a good working condition.
Examined sea-cocks & connections and found them good.
The safety valves have been adjusted by the Board of Trade Surveyor no opportunity has subsequently been afforded since then as steam has never been got up except on Sundays and during very late or very early hours.

General Observations, Opinion, and Recommendation:— As far as seen the machinery of this vessel is in a safe working condition and eligible in my opinion to have the notification B-S. 5-86 recorded in the Register Book
 (State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)
