Particulars of Repairs and Examination Damage to Crankshaft
 (State clearly the cause of Repairs if any, and in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Examined the broken crankshaft and the spare one which had been fitted in its place at port said. I found the latter to be as far (as could be ascertained) in a safe working condition.

General Observations, Opinion, and Recommendation:-- As far as seen the machinery of this vessel is in a safe working condition and eligible in my opinion to remain unclassified.
 (State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)
