Last Survey No. _____ Port _____ L.M.C. 7.85

Particulars of Repairs and Examination For Annual Boiler Survey
(State clearly the cause of Repairs if any, and in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Examined two main boilers internally & externally & found them to be in good condition. Safety valves in good condition & set under steam to 70 lbs.

The owners propose to submit the Witch boiler for survey at Cardiff for which port the vessel is now leaving

General Observations, Opinion, and Recommendation:-- *The Main boilers being now in good & safe working condition renders the vessel eligible in my opinion to remain as classed & have the certification B.S. 2.87 recorded, subject to the Witch boiler being examined at Cardiff as above stated.*

Office or Registration Fee (per Sec. 27) £ - : -
