Particulars of Repairs and Examination Annual survey
(State clearly the cause of Repairs if any, and in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Sail shaft drawn in & stowed up in lathe - examined & found in good order. Propeller & fastenings all satisfactory: stern bush rewooded.

General Observations, Opinion, and Recommendation:-- The machinery of this vessel, as far as seen, is now in good order and eligible in my opinion to remain as classed.
(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)
