Last Survey, No. 415966 Port London

This vessel was seen lying in Limehouse Dry Dock. I informed the Marine Superintendent of the Co. (Messrs Jones) that the Special Survey for 1887 was now due. In reply he informed me that the owners had resolved not to continue the class of this Steamer in the Register Book of this Society, and that the owners had previously informed the Secretary of this resolution. Consequently my services were declined.
