Particulars of Examination and Repairs (if any)

Periodical Surveys, when held, must be reported in detail and verbatim in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and cases being detailed in the body of the report, should be briefly summarised at the end of the report. State also the dates and initials of any letters respecting this case.

Did the Surveyor personally go inside each Main Boiler separately and make a thorough examination at this time?

Do. " Donkey " "

Is was not done, state for what reasons?

What parts of the Boilers could not be thus thoroughly examined?

What special means, in the absence of internal examination, were adopted by the Surveyor to assure himself of the thorough efficiency of those parts of each Boiler?

Did the Surveyor examine the Safety Valves of the Main Boiler?

What pressure were they afterwards adjusted under steam?

Did the Surveyor examine the Safety Valves of Donkey Boiler?

What pressure were they afterwards adjusted?

Has the propeller shaft been drawn and examined at this time?

Has the Surveyor not complete state what arrangements have been made for its completion?

Boiler and machinery
Survey complete.
Propeller stem-bush and aisle-side fastenings of
sea connections examined and found satisfactory.

The Committee have approved of the Boiler Survey now due on this vessel, being postponed until my next like correspondence attached.

General Observations, Opinion, and Recommendation:

(State clearly what alteration, if any, is suggested to be made in the existing classification of the vessel's machinery in the Register Book, consequent upon this survey, and also any alteration required to be made in the records of the vessel's machinery, boilers, working pressures, &c.; thus, for example, B.S. 4,92, B.M.S. 4,94 or S.L.M.C. 4,92, 140 lb., F.D., &c.)

The machinery of this vessel is in satisfactory condition and in every opinion eligible to remain as heretofore found record.
