

TUES, MAY 5 1896

Port of

London

Continuation of Report No. 57629 dated

on the

Ship "Crown of Denmark"

The vessel being found in good condition throughout the close ceiling renewed in San Francisco was not renewed as approved by the Secretary's letter N. 8th April 1896.

E. B. Humphreys

It was not considered necessary to drill the plating of this vessel. No tests being anywhere apparent.
