Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors, Chains, or Hawsers is reported, the particulars of weight or size and test of the articles should be clearly stated, and also the weight or size, &c., required by the Rules, together with the vessel's Equipment Letter, if any. State also the dates and initials of any letters respecting this case.
Society's Freeboard (if assigned) as } 5 1/2 ft. 5 1/2 ins.
painted on Ship and now verified }

REPAIRS, OR EXAMINATION AS PER RULE, FOR 5th Survey. See London report N. 57281.
To complete the survey required by rule, the Centre Line Keelson immediately under the Builders Still remains to be dealt with, and the owners state that on her return from Sydney in Aug^r next she will be laid up for three months, when they will effect the necessary repair. See letter attached.

					Hawsers & Warps ...	Boat		
					Standing & Running Rigging ...	-		

General Observations, Opinion as to Class, Recommendation, &c.:—
State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 9,91," or "to remain as classed and to have record of survey, 9,91, and the notations of ss No. 1-91 and ptND91, &c."
This vessel is in my opinion eligible to remain as Classed, without fresh record, and subject to the M.L. Keelson being repaired on return.
