of particulars of Casualty

Vessel struck on a sunken steamer at Thameshaven on 9th April and sank.

On 13th April the Owners stated that the case was in the hands of the Thames Conservancy and asked that action be deferred.

On 15th April the Committee deferred the case for a fortnight.

The Secretary of the Thames Conservancy writes on 30th April stating that their Engineer has great hopes that the vessel will shortly be raised.

(Letter from Thames Conservancy is attached to case of "Winston")
