My Dear Mr. Davey

I enclose herewith the  
report for the Annie Mc Donald  
with tracing of midship section

also two letters received from  
Bond & Son Mastmakers in  
reference to the Iron Mast, Lower  
Yards & Bow-sprit made at Liverpool  
by Mainwright. I have written  
privately to Wheeler to ascertain  
if they were examined by himself  
or Colleagues and passed as stated.  
and if so requested he would furnish

Particulars.

It would be as well if you could just see the vessel before she sails for entry of last date.

The Catheads were changed as requested for other materials. I received your letter with enclosure re - Amendment for Identity.

I think the paper containing statement of Steel Setts for Forrests No 1104 was given to me by you and if it must be in my drawer at the Office. If you can find it please send same

to me.

Also if you will send the Papers to be found in the Drawer with the Drawings for relating to the S. Yacht Union. I will endeavour to complete that report before getting away.

Have you seen anything of Mr Jackson at S. P. O. Works re - Libra - ? will give you report so far as gone. With kind regards to you and all colleagues

I am  
Yours faithfully  
J. W. Alder.
