Rye.

March 20/88

Dear Sir.

"re 'The Pioneer'"

In reply to yours of
the 14th regarding the Survey
of this vessel, Mr. Bidder &
myself will be glad if you
would kindly inform us
of the probable cost of the
Survey, as it will not answer
our purpose neither can we
afford to pay much for it.

I may add that we shall be
putting in a new Boiler
in the boat in about one
months time from now
when it would be convenient
for us, if we have her surveyed.
I must apologise for not
replying to your previous
notice.

Yours truly
A. R. R. R.

Steam Trawler "Pioneer" 25 tons. 1853 - 3 no.
1000 A1
9.83.

S. S. N. 1 due. Owners ask the cost of
survey, as they cannot afford to spend
much. They say that a new boiler is
to be fitted in about a month's
time & survey might be held then.
21.3.88.
