

Extract from a letter received from the Society's Surveyor at
Naples dated 21st. April 1892.

I have just finished to hold the survey on board the
S/S "CITTA DI MESSINA" and in a few days I will send you the
report.

Of what I have observed the said steamer is in very good
condition and I am of opinion that she be continued in her
present class of 100A as you can see from my report that I am
sending you in a few days time."
