23rd February, 1892.

Dear Sirs,

I have to acquaint you that in reply to a notice sent by the Society's Surveyors at Cardiff, on the arrival at that port recently of your Steamer "CITTA DI MESSINA", the captain stated that the Special Survey No.3 would be completed on the vessel's arrival at Messina about the 2nd or 3rd proximo.

As, however, the Society has no surveyor stationed at that port, I shall be glad to learn from you what course you intend taking in the matter, and also at what port the necessary inspection will be held.

I enclose herewith for your information a list of the ports at which the Society has surveyors stationed.

I am, Dear Sirs,

Yours faithfully,

Messrs. Pierce, Becker & Harri,

Secretary.

Messina.
