

10<sup>th</sup> February 1892.

Dear Sir,

With reference to my letter of the 30<sup>th</sup> December last regarding the special survey No 8 of the steamer "Little Belknap" I have to remind you that the twelve months grace allowed by the Society has expired at the end of January, and that the inspection in question should be carried out forthwith, in order to enable the vessel to have her character confirmed in the Officer Book.

I shall therefore be glad to have at what port the necessary inspection will be carried out.

I am,

Dear Sir,

Yours faithfully,

W. Scott  
Gen. Secretary.
