

S. Rangitiki.

As this vessel is now in London, it is submitted that the papers & correspondence connected with this case should be handed to the London Surveyors for their information & guidance, and they should be requested to carefully examine the anchors & chains and report fully on them for the information of the Committee.

G.B. C.B. 16. 6. 91.

Capt. Hansen the Owners Agent states that the Owners have now decided to have new Anchors & cables supplied to this vessel in accordance with the Rules. C.B.

18/6/91.
