6th February, 1891.

Dear Sirs,

The Society's Surveyor at Napier, N. Z. having reported that your ship "Rangatiki" has lost some of her chain cable, which has been replaced by some from other vessels, I have to ask you to kindly state for the Committee's information when this vessel will arrive in this country, in order that the remaining chain cable now on board may be examined and tested if necessary.

I am, Dear Sirs,
Yours faithfully,
A. J. H. H. H.
Secretary.
