

18th December, 1891.

With reference to your letter of the 7th instant,

in the case of the Steamer "JASPER", I am directed to

advise you that the Committee had the same under consideration at

its meeting on the 12th inst. and that it has decided that, in order to entitle

the vessel to be entered in the Society's Register Book, the

owners should cause the vessel's Surveyors to be appointed and

that the vessel should be taken to sea and that the vessel should be

examined by the Surveyors and that the vessel should be

found to be fit for service and that the vessel should be

entered in the Register Book.

I am, Dear Sir,

Yours faithfully,

Secretary.
