Report

Lon

No. 53015

The remarks of the CHIEF SURVEYOR and ~~CHIEF ENGINEER SURVEYOR~~ are desired on this Case for the consideration of the Classing Committee.

To complete S.S. No. 2 a new length of properly tested chain cable requires to be supplied & this the owners representative states will be attended to on the vessel's return to the U.K. in about 3 weeks time.

It is submitted that the vessel appears worthy the favourable consideration of the Committee to remain as classed, & when the 15 fms. of chain cable have been supplied she will be eligible to have record of survey 5.92 and notation of S.S. Lon. No. 2. 92 in the Register Book.
