

Harre 12/5/92

Here enclosed is a certificate of test
for 28 metres of chain of 38 millimeters
put on board the "Tejo". I think that
your ^{stamp} signature is necessary on this
document which I shall send on to
Lloyd's who will not deliver Certificates
to boats before this ^{stamp} signature (is put on)

We the undersigned certify that we tested
the undermentioned chain according to
the elementary ^{sketching} drawing test of the
Navy.

1 ~~over~~ piece of chain 28 metres in length
with iron stays 38 m.m. in diameter with large
links & a shackle (Sketch of 38,550 kilos
This chain was sent to the Beckett's Naval
de l'Oueh at Harre on the 18th of Nov last.
Seen & agreed to by the Mayor
