9th. November, 1892.

Dear Sir,

I duly received the vouchers respecting the yellow
metalling of your Barque "HOLMENKOLLEN",

It appears, however, from these documents, that repairs of
damage were effected to the vessel while at Arendal last Spring,
and as she is classed in the Society's Register book, I am directed
to point out that all repairs effected to a classed vessel are
required to be carried out to the satisfaction of one of the
Society's Surveyors.

I have therefore to request that you will kindly state
when and at what port you can arrange to submit this vessel for
the necessary inspection, as required by the Rules.

I am, Dear Sir,

Yours faithfully,

Dr. As Oms: 16/1/93
