VESSEL'S NAME

Sm. Ship. British Commodore Report Lou No. 5-6471

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Grounding.

Vessel examined afloat and by a diver on account of grounding. No damage was discovered, but the Surveyor recommends that she be placed in dry dock for further examination of bottom at the first opportunity.

It is submitted the Owners be informed accordingly, and requested to state when and at what port this will be done. In the meantime, the vessel might be allowed to remain as classed.
