Received from Chief Surveyor

VESSEL'S NAME Sth. S. S. "Florida" Report Lon. No. 55926.

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

S.S. No. 2 due 8. 93

The S.S. No. 2 became due in August, 1893.

Several communications have been addressed to the Owners and the survey has been postponed from time to time.

The Owners now state in reply to a letter addressed to them on the 15th. instant that they do not think it necessary to continue the classification of the vessel.

It is submitted the vessel's class should be withdrawn from the Register Book, and three dots (...) inserted, indicating that the class has been withdrawn at Owners request.
