Marshall Stevens Esq.

Dear Sir,

It would be a great convenience if you could defer the survey of the "MANCHESTER" till Monday the 30th instant instead of the 23rd instant.

I am sorry to have to ask for further postponement, but it is due to the fact of a breaking down on the Dredger and the necessity of obliging her to replace the top tumbler.

Please let me know to-day whether you think this can be arranged.

Yours faithfully,

(Signed) E: LEADER WILLIAMS:
