A-
Hopper Dredger.
7,93.

S.S.No.1 due August, 1893.

+ d. h. b. 8,90.

Steel S/S "FLORIDA" No.196 in R.B. 11 tons 1887-8mo.

A1
Steam Trawler
6,91.

S.S.No.1-01.

S.S.No.2 due August, 93.

B.S. 3,92 + d. h. b. 6,91.

The Owners, The Manchester Ship Canal Co., stated in November last that the vessels would be submitted to survey in January. In February they wrote that they would be available for inspection in a few weeks, and in reply to a further communication now addressed to them they ask that the carrying out of the surveys may be postponed until the end of next month, in order that important dredging operations may not be interfered with.
