2, White Lion Court,
Cornhill, E.C.

Dear Sir,

Survey of S.S. "Florida" & S.S. "Manchester"

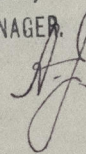

With reference to your letter of the 12th instant, the Engineer wishes the survey of these vessels, especially of the "Manchester", postponed until the end of next month, as this would avoid interference with important dredging operations at Rixton.

I hope that you will be able to arrange for this.

Yours faithfully,

For MARSHALL STEVENS,

MANAGER.
