

THE MANCHESTER SHIP CANAL WILL BE OPENED
TO MANCHESTER ON 1st JANUARY, 1894.

Should some unforeseen contingency delay the opening of the Ship Canal the whole way to Manchester for a short period, arrangements can be made for traffic in Vessels arriving on or after the 1st January next to be received alongside the Ship in the opened portion of the Canal, and to be conveyed to the Manchester Docks by the Ship Canal Company on special terms.

Dear Sir,

STEAM DREDGER "MANCHESTER"

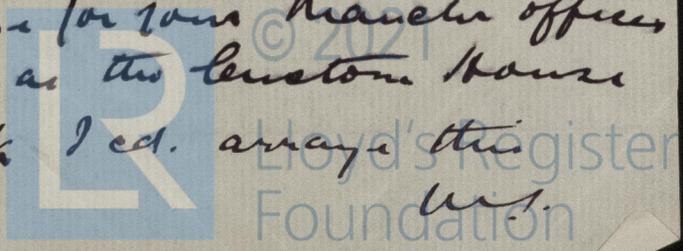

In reply to your letter of the 24th ultimo addressed to Mr. Collier the Manager of the Bridgewater Undertakings of the Manchester Ship Canal Company which has been handed to me, it will best suit the convenience of this Company to have the vessel surveyed at Manchester in January next.

Yours truly,

Marshalltown

Manager.

Would you like to arrange for your Manchester office to be on the same plot as the Custom House or Dock Office? I think I cd. arrange this.
