Dear Sir:

We beg to own receipt of your valued favor of the 19th Inst. the contents of which we note and we shall at once proceed to have the surveys held in accordance with the requirements of Lloyds' as given in the copy you enclose, and by the most competent person here. We regret that you can not come over to see the craft; she has just had a thorough overhauling and complete repairs and she is in as good condition as when she came from England. We are very satisfied with the way the work has been done, and we consider it does credit to our port. The engines and boilers shall be duly examined again.

The charge for your attention to this matter is noted and the terms are satisfactory. In due season we will forward you all the papers duly attested before a notary, as required, and meanwhile, we remain, Dear Sir,

Your Obdt. Servts.
