13th June, 1895.

Dear Sir,

With reference to your call at this Office in October last and to the conversation which you had at that time with the Society's Chief Surveyors respecting the classification of the Steamer "HIGUEROTE", I beg to remind you that you stated on that occasion that you would endeavour to carry out the Special Survey No.1 at Demerara before the end of last month.

As no report has yet been received from the Society's Surveyor at that port on this vessel, I shall be obliged if you will kindly let me know, for the Committee's information, what further arrangements you have made with a view to the submission of the vessel to the requisite inspection.

I am, Dear Sir,

Yours faithfully,

Secretary.
