Boiler Survey due May, 1894. S.S.No.2 due October, 1894.

In June last it was stated that the Company to which this vessel belonged was about to be liquidated for the purpose of completing a sale, and that the vessel had been lying up for some months. She was afterwards sold to Sir Raylton Dixon & Co., of Middlesbro., and was then transferred to Mr.J.W.Adamson, 20, Billiter Street E.C. A letter has recently been addressed to the New Owner but no reply has yet been received. The vessel is still lying up in London.
