

"Amarapura"

Copy of letter to Middleboro Surveyors.

Sunder. 11th July 1876.

The Surveyors.
Middleboro

Gentlemen.

I beg to advise you that the S.S.
"Amarapura" has sailed for your
port & in order to complete her
Machinery Survey No 2, the following
work remains to be done:—

New pressure gauges fitted to Boilers.

All Safety Valves adjusted under Steam.

Repairs to Stockhold platform completed.

The Branch Steam Pipe of No 2 Stove Boilers
repaired and

The Duffey Engine tried to all its
connections.

I am.

Gentlemen

Yours Truly

D. Ritchie
