Dear Sir,

Our fishing steamer "Emerald" insured by The Maritime Insurance Co of Liverpool, at present fishing from Yarmouth, we intend having her fitted with a new Boiler, built to Lloyd's and Board of Trade requirements with a view to having her put on your list again, and shall be glad if you furnish us with the necessary information for so doing, & also kindly communicate with Alfred Dodman Esq, Highgate Works, King's Lynn, who will be supplying the Boiler.

We are also thinking of changing her name and shall be obliged if you give us the necessary information for doing so.

Yours truly,

Kindly state Cost.
