

E.

21st December, 1896.

Sir,

In reply to your letter of the 19th instant, I beg to confirm my telegram of to day as follows :- " Amended sketch approved provided sufficient landing, letter follows ".

With reference to your proposal to cut away a portion of the tube plate in way of the furnace and thus dispense with three thicknesses at that part, I beg to state that this will be approved, provided the ends of the tube plate be tapered off and sufficient length left at the landing to take say three rivets.

I am, Sir,

Your obedient Servant,

*Wm Morrison*

Alfred Dodman, Esq.,

Higgate Works,

KING'S LYNN.
