MACHINERY.

HIGHGATE WORKS,

Kings Lynn December 7th. 189-6.
ENGLAND.

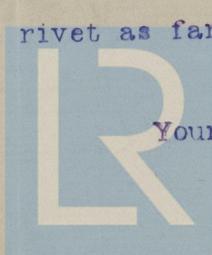

Mr. W. Morrison,

Dear Sir,

Yours of the 5th. inst. to hand & note that it was rather troublesome
 to get the plans altered & I must therefore let the matter rest, I note your
 wishes about the rivets in the bottom, I also beg to say it is my intention
 to drill the hole in position & hudraulic rivet as far as practicable

Yours faithfully,

Alfred Dodman.
