Dear Sir:

Your letter of 6th inst duly reached me, and I was surprised to learn therefrom that the new keel plates have not yet been fitted to the Str. "Altata". These plates were sent by me from England some months ago, and should have been fitted immediately on their arrival. I have at once written to the Manager advising him of the necessity of attending to this matter without further delay.

Yours faithfully

Wm. B. B. B.

Dear Sir,

Investing in the company...
Your letter of 6th inst. duly reached me, and I was
surprised to learn therein that the new steel plates have
not yet been fitted to the 'St. Albans'. These plates were
sent by me from England some months ago, and should have been
fitted immediately on their arrival. I have on once written
to the Manager advising him of the necessity of attending to
this matter without further delay.
