Steamer "Altata"

In accordance with my promise to your representative who called here a few days ago, I cabled to my Manager in Mazatlan asking him if Mr Woolrich (who I believe is Lloyd's agent at that place) would be willing to nominate some person to make a survey of this Steamer in Guaymas.

I this morning received the following reply:
"Sent Surveyor's report 22nd August, you had better see if it is all right."

I presume that your Committee would be willing to postpone action in the matter until receipt of this report which shall be sent to you immediately it comes to hand.

Yours faithfully

A. S. Waghurst
