ENCLOSURES.

26th. May, 1897.

Dear Sir,

With reference to your letter of the 17th. October last in which you stated that you would appoint a Surveyor to carry out the Special Survey No. 1 of the steamer "ALTATA" at Guaymas, I regret to state that in consequence of your having resigned your position of Lloyd's Agent at that place, the matter appears to be still in abeyance. Under the circumstances the Committee will be greatly obliged if you will kindly nominate a competent Surveyor to carry out the survey in question, as the Owners are anxious to have the matter attended to.

As I expect you will not have in your possession the instructions for the Surveyor previously forwarded to you, I enclose herewith a copy of the same with forms for reporting the survey, in order that you may forward the same to the Surveyor.

I am, Dear Sir,

Yours faithfully,

William Lund Esq.,

Secretary. ~~William~~
