

WILLIAM LUND.

Guaymas 17th October de 1896

Dear Sir

Your favor of 2nd Sept^r
came in due time, and I have taken
note that you require a special
survey to be held in the Steamers
Albata and Gazatlan belonging to the
Western Railway Co.

I have been wishing to hear
from the Manager of said Co. at
Albata before answering you & received
his letter yesterday asking what the
survey could be sent here for such
survey, to which I answered him to
day. I have his favor been waiting
for the N. H. Ship at any time & I
would have a Surveyor ready to overboard
them I report on them.

I have received the Special
Instructions you sent for guidance of
the Surveyor, and will forward you the
