Dear Sir

I am in receipt of your favor of yesterday in reference to the overdue surveys on the steamers "Altata" and "Mazatlan", and I note that your Committee will allow these surveys to be held by a competent surveyor, who is independent of this Company, and who would be appointed by Lloyd's agent at Guaymas. I am much obliged for this suggestion, and have at once written out to my Manager, directing him to put himself in communication with Lloyd's agent at Guaymas in order that the surveys may be held at an early date.

Yours faithfully
