Dear Sir,

Steamers "Altata" and "Mazatlan"

In reply to your favor of 25th inst, I beg to say that I am writing to Mr Geo. R. Douglas, the general manager of this Company at Altata, instructing him to satisfy himself as to the strength of the patent slipway which has been put down at Guaymas, and afterwards to put himself in communication with your Surveyor, Mr John Metcalfe, in San Francisco with a view to having the latter inspect these two steamers at Guaymas at the earliest possible opportunity.

Yours faithfully

A. G. Dryhurst
