Sir.

Your favor of 10<sup>th</sup> inst in reply to mine of  
23<sup>rd</sup> ulto regarding "Manhattan", "Altata", "Minicola"  
& "Mineral" duly to hand.

I note you say the Special Survey No 3 of  
steamer Minicola became due on the expiration  
of 8 years from the date of her build that is  
to say at the end of March 1895. I think you  
mean the No 2, an error of the type writer.

I beg to say this vessel is now under ex-  
amination, report will be sent forward  
shortly. No 2 A.S.

Mineral, duly noted as having passed No 2 S.S.

I note your remarks regarding Altata  
& Manhattan. These vessel can now be taken  
out of the water at ~~Long~~ Guaymas if they  
desire to comply with the rules of Classification.

I note your remarks in copy of letter  
to the Owners
