

It is submitted the owners representative in London should be informed the Naples Surveyor has reported by telegram that the vessel is now in dry dock at Messina. He should be requested to inform the owners that as it appears the vessel is now in dry dock at Messina the examination of the bottom of the vessel may be made by the Naples Surveyor, but the remainder of the 2nd S. S. No 3 necessary for the reinstatement of the vessel upon her original classification must be held by one of the Society's exclusive surveyors either at Genoa. Constantinople or any other port where an exclusive surveyor is stationed. This being in accordance with the intimation already made to them.

It is further submitted the Naples Surveyor should be informed that if it is the wish of the owners that he should examine the bottom of the vessel in dry dock, ^{at Messina} he is at liberty to do so, but the 2nd S. S. No 3 must be held by an exclusive surveyor as already intimated to the owners.
