The Secretary to Lloyd's Register  
London

Sir

I beg to enclose herewith copy of what  
I wired you to day regarding the SS "Elena D." N. 274.  
This steamer is at present at Salerno unloading  
her Cargo, and by Sunday 18<sup>th</sup> June she will be dock-  
ed at Messina for Careening. Her master being  
anxious to re Class her in the Lloyd's Register, re-  
quested me to proceed to Messina for carrying  
on the said Survey.

Before I might make any step, I beg to submit  
upon the Case for the consideration of the Committee

The master stated, as far as I was informed  
by his Agent, in order that vessel might ob-  
tain a Certificate of Class from Lloyd's he  
should submit the vessel to any sort of repairs

LON 732-0199 1/2

that may be suggested by the Officer Surveyor  
to this Society appointed to carry on such a  
Survey.

I believe, in case that Committee agree to the above Master's request, in order to fulfill the Lloyd's requirements for granting a Certificate of Class, the vessel should ought to be submitted to a 2nd SS No 3. and 1st Entry report of both vessel and machinery must be send to you.

I remain

your obedient servant  
Francis Durocher
