REMARKS.

Mr. Sevastopulo states that his letter of the 13th instant is an extract from one received by him yesterday from the Owners. He cannot understand the meaning of the telegram from the Society's surveyor at Naples. The Captain may not understand the case properly, and he is wiring to the Owners informing them that the vessel must go to Genoa as arranged for the re-classification survey. He is asking for a reply by cable and will let us know the contents tomorrow.
