26th May, 1905.

Dear Sir,

I duly received your letter of the 24th instant, respecting the steamer "ELENA D.", and in reply to your enquiry I beg to state that the Society has an Exclusive Surveyor stationed at Genoa, and that the survey of this vessel with a view to reclassification in the Society's Register Book could be carried out at that port.

I may perhaps add for your information that the Society has recently appointed to Constantinople an Exclusive Surveyor, Mr. Newman Mumford, who took up his duties at that port this week.

Kindly let me know as soon as it is decided what steps the Owners propose taking in the matter.

I am, Dear Sir,

Yours faithfully,

M.A. Sevastopulo Esq.,
144, Palmerston House,
Bishopsgate Street, E.C.

Secretary.
