

On the 14th May last a letter was sent by the Secretary to Mr. M. A. Sevastopulo of this City, who are agents to the Owners of the S.S. "Eleon D", in reply to a letter from him, informing him that the survey held in June 1905 upon that vessel at Messina by the Society's Surveyors was at the request of Mr. Liougos, the local agent of the vessel, and at the same time expressing the hope that the fees outstanding in the case would now be paid.

The Genoa Surveyors now write stating that they have not yet been paid their fees and expenses and they inclose a letter from the owner - Mess^{rs} D. Diamantidi & fils - stating that they never authorised the survey and that they have no agents in Messina.

It is submitted Mr. M. A. Sevastopulo, the owners agent in this City - should be again communicated with on the subject and be reminded that the Committee have not yet been favoured by him with a reply to their letter of 14th May last.
