S.S.Lon.No.2-94

The 2nd.S.S.No.3 became due on this vessel in July, 1897, and no part of the survey has yet been held.

The case has been deferred from time to time, and in October last the Owners were informed, in view of the year of grace having expired in July, 1898, that unless the survey had been completed in Australia before the vessel proceeded on the voyage on which she was then engaged, her class would be expunged from the Register Book with a red line.

Classing

The case received the consideration of the ^ACommittee on the 20th instant, and it was decided to expunge the class from the Register Book with a red line, indicating non-compliance with the Society's Rules.
