ANSR

Sir,

Your favor of the 28th Octr came duly to hand and in reply thereto re "Helen Denny" neither Master nor Agent approached me on the matter of special survey. Upon the receipt of your letter yesterday, I interviewed Messrs Earp Gillam on the subject when they informed me that Mr McClatchie was in Newcastle a few days ago, and no mention was made of submitting the vessel to survey on her return.

The ship left here for Honolulu on the 14th October, and was bound from there to Puget Sound to load timber for Melbourne at which port she is expected to arrived next May or June.

I am,

Sir,

Your obedient Servant,

Thomas Brooks
