RECD 24 OCT. 1898

In reply to your favour of
the 17th ultm re Helen Denny.

I interviewed the Master of this
vessel, who informed me that there
was no intention of having her sur-
veyed in this Port, but that she was
going on to Sydney, and if anything
was done it would be done there.

I therefore took no further action
in the matter.

Yours respt.
